

PHUKET SHOPPING PRICE GUIDE 2018

This is just a guide to prices only, some of the prices are what we have paid, and some are from other people's reports etc. So, if you pay more or less for something, it doesn't really matter.

PAY WHAT YOU ARE HAPPY WITH

Just remember, sometimes you are squabbling over cents, is it really worth doing that.

The best way to get a bargain is never lose your cool or raise your voice, always haggle with a smile and a few words of Thai will not go astray and your attempts will be much appreciated. These prices are from various shops, stalls and markets around Patong. There are also some individual shops and market prices at the end of page.

JINDA’S SHOP

Due to the shop Jinda was renting on Beach Road being sold and the new owner trying to charge exorbitant rent, Jinda and the boys have moved to Rat-U-Thit Rd Patong, the road running parallel behind Beach Rd. The new shop is very easy to find and even easier if you google Sawadee Dental Clinic 127 Rat-U-Thit road as they are directly in front of the dental clinic.

This shop is run by a lovely Thai lady called Jinda and her children, everything is fantastic prices to start with and there is no bargaining or pressure put on you here. Jinda also has a good selection of children's clothes, men's & women's jeans, tops, shorts, dresses etc.

We highly recommend this shop.
